

We're more than food ingredients. We're a partner who can help you **grow.**

At Cargill, it's our job to help our customers win in the marketplace.

Whether it's collaborating with our customers to manage complex supply chains and ingredient price volatility, or developing new-to-the-world products, we're ready to help you grow your business.

To achieve this, we are building on Cargill's 140-year track record as a trusted ingredient supplier with:

- > **Unique marketplace knowledge**
- > **State-of-the-art product formulation capabilities**
- > **The industry's broadest and deepest ingredient portfolio**
