Exceptional Products

Grow your business with products from the industry leader. With the nation's largest independent mushroom research and development facility, we grow most of our own supply and meet the strictest standards of quality. We're committed to providing exceptional products at the best value in the industry.

OUR MUSHROOMS OFFERINGS INCLUDE:

IQF: Sliced, diced and whole. Flash-frozen within 24 hours of harvest for rich, consistent quality. Firm, with excellent texture and taste retention. Also available: exotic Portabella, Shiitake and Crimini.

FRESH: Complete line-sliced and whole-of high-quality, recipe-ready industrial/ingredient mushrooms, including exotic and gourmet stuffing varieties.

POWDERS & CONCENTRATES: Instant powder provides the distinctive taste of lightly cooked mushrooms. Concentrate syrup for the intense flavor and aroma of just-picked mushrooms. Both imported from Holland.

GIORGIO ALSO CUSTOMIZES PRODUCTS LIKE:

CAFÉ SELECTIONS: Tender, flaky pastries with mouth-watering fillings. Quick-and-easy preparation. Frozen tortes, regalinos and cornettos in several varieties—or Giorgio can custom create sandwiches to complement your products based on our delicious breads and fillings ingredients.

PIZZA PROGRAM: Real pizzeria-style pizza crust in 5", 7", 12" and 16" sizes. Made with the finest ingredients, then par-baked, frozen and ready for your toppings. Plus, premium pre-baked and traditional frozen pizzas, including whole-grain wheat-crust pizza.
