Product Overview

Ohly is one of the world's leading suppliers of yeast extracts, yeast based flavors and specialty powders for the food, biotechnology, health and animal feed markets globally. Our products are based on bakers, and torula yeast. These high quality products enable food technologists to create consumer friendly products that are rich and flavorful.

Information on our products and applications are available on request.

Please visit www.ohly.com or contact us at **800-321-2689** for your ingredient needs.

For great tasting food, just add Ohly
