

# Suspend your imagination.

With help from a Gum Guru, I can really suspend my RTD proteins.

Did the Gum Guru also help you suspend that hairdo?

## Our Ingredients + Expertise = Success.

We believe that every great formulation starts with the right mix of ingredients and information. When you call or live chat with a Gum Guru® at TIC Gums, you'll talk to an expert in texture + stability solutions. As a global leader in innovative technologies for product development, we can help you create formulations that add up to delicious success. **To speak with a Gum Guru®, visit [ticgums.com](http://ticgums.com) or call (800) 899-3953 or +1 (410) 273-7300.**
