Ladder-Flex™ spreading conveyors

## CONVEYORS FROM WIRE BELT

High quality conveyors from the brand you trust

Need to maintain or change product orientation while conveying? Do you have an application where there's a requirement for change in direction, spacing of parts or pieces, or other difficult handling issues? Wire Belt Company can help. Call or visit our website at [www.wirebelt.com](http://www.wirebelt.com) to learn more.

We offer a full line of conveyors such as:

- Ladder-Flex™ spreading/converging conveyors
  - Straight/transfer conveyors
  - Shuttle conveyors
  - Hybrid conveyors
- Full line of Flex-Turn® conveyors
