

PROTECTING PRODUCTS & REPUTATIONS for over 35 YEARS

WTI

INNOVATIVE FUNCTIONAL FOOD INGREDIENTS

YOU DESERVE THE BEST. We work with the world's leading food processors to create ingredient solutions for their most challenging food safety and quality needs.

- Extend Shelf-life
- Increase Yields
- Reduce Sodium
- Achieve Clean Label
- Improve Product Quality
- Consistant Results
- Superior Pathogen Control
- Improve Product Texture
- Enhance Natural Product Flavors

Our years of processing experience and a vast knowledge of both the ingredient side and the equipment side of processing give us a unique advantage that allows us to offer our customers ideal solutions throughout the entire food development process. **Contact us today and see what a difference the right ingredient makes!**
