

CARMİ EQUIPMENT COMPANY

**Specializing in
New & Used
Equipment
for the entire
food industry**

**Food Processing
Dry Blending
Packaging
Laboratory Equipment
Material Handling
Scales
Platforms and Ladders**

Besides representing these fine manufacturers, we continually acquire surplus machinery from plant changeovers, plant shutdowns, and other sources.

Used equipment can represent a substantial cost savings and is typically able to ship almost immediately.

Please contact us regarding availability and pricing of used machines for your next plant upgrade or expansion.
