

Synthetic Lubricants

Food Grade

NSF H1 Registered
ISO 21469 Certified
KOSHER Approved
HALAL Certified
ISO 9001:2008

The Summit logo features a black stylized 'S' shape above the word 'SUMMIT' in a bold, italicized, sans-serif font. The logo is printed on a yellow cylindrical container, which is part of a larger piece of industrial machinery. The background of the entire advertisement shows a blurred industrial food processing facility with workers in white uniforms and various pieces of machinery.

SUMMIT

Summit food grade lubricants provide maximum lubricant performance under normal operating conditions and manufacturing processes in the food industry. They offer a full line of food grade products that meet the quality and food safety requirements of NSF H1, NSF ISO 21469 and ISO 9001:2008.
