

# MAXIMIZE EFFICIENCY. LESSEN RISK.

40TH ANNIVERSARY  
**DOUGLAS**  
WASHING AND SANITIZING SYSTEMS  
SAFER. CLEANER. FASTER.

BENEFIT FROM OUR KNOWLEDGE.  
PROFIT FROM OUR EXPERIENCE.

Douglas systems provide effective results consistently over time, while saving costs on labor, water, chemicals and energy.

- Choose from 80+ standard models
- Clean several hundred to thousands of containers an hour
- Less downtime and higher productivity
- Reduce your food safety hazards

## OUTDATED SANITARY PRACTICES?

Managing food safety requires constant attention. Prevent disruptions or failures because your sanitary standards lacked a high-performance washing and sanitizing system.
