

Ebrofrost North America

Organic and Conventional IQF RICE, GRAINS & PASTA

Our plant with 85,000 ft2 is located in Memphis, Tennessee, and broke ground in March, 2017; starting commercial production the same year as a state-of-the-art highly-automated and high-care facility.

And our facilities keep on growing...

By the end of 2019 we inaugurated our fully-automated ASRS frozen warehouse.
