

# NEVER OBSOLETE

## Metal Detection

- ✓ Readily Available Parts
- ✓ Software Upgrade
- ✓ Global Service Team

Fortress metal detectors have always been engineered with a Never Obsolete Commitment. Our customers have peace of mind that a Fortress metal detector will always be supported with parts, software upgrades and a global service team for the life of the detector.

**HALO**<sup>®</sup> AUTOMATIC  
METAL DETECTOR  
TESTING SYSTEM

Save Time and Money by reducing the frequency of manually testing metal detectors. This automated system sends a signal that's calibrated to a specified sphere size and metal type, to effectively test the detectors performance, along with checking the operation of the reject system. Contact us to find out more!
