

Clarion Food Grade White Mineral Oils are of the highest purity. They are refined by ultra high pressure hydrotreatment and are stabilized with Vitamin E oxidation inhibitor. They are available in six viscosity grades.

QUALITIES

- Clarion Food Grade White Mineral Oils meet the requirements set forth in the US FDA regulations 21 CFR 172.878 for contact with food for human consumption, and 21 CFR 178.3620 (a) for use as a component of nonfood articles intended for use in contact with food for human consumption.
- These oils meet the current standards of the National Formulary (NF) or US Pharmacopeia (USP), and are 3H and H-1 registered for direct and incidental food contact by NSF, for use in food plants under the jurisdiction of the USDA.
- They are colorless, odorless, tasteless, non-staining lubricants that provide excellent wear, rust and oxidation protection.

APPLICATIONS

- Can be used for coatings for fruits and vegetables, defoamers, shell egg spray, bakery pans and dough dividers, cutters, knives, meat packers benches, boards, trays and hooks, and as a lubricant and rust preventative for food processing machinery. They can be used in cosmetics & pharmaceuticals, suntan lotions, baby oils, bath oils, as a base for ointments, as a pelletizing aid, and as a drug processing agent.
- Can be used in the fibers, plastics and resins area as a process aid, a diluent, a pigment dispersant and textile fiber lubricant. In the food processing area, they can be used as a release agent on grills, pans and other food processing equipment.
- Clarion Food Grade White Mineral Oils 200 and 350 may be used in water well pump and other potable water system lubrication applications where lubricants certified to NSF/ANSI Standard 60 and/or 61 are required or desired.

CERTIFICATIONS

NFS 3H and NSF H-1 - Listed in "NSF Registered Proprietary Substances and Nonfood Compounds." These products are authorized for use under USDA Inspection and Grading Programs.

Are Halal certified, designating food is permissible according to Islamic law. (Synthetic Gear Only)

Are certified as Kosher (Passover) with the Union of Orthodox Jewish Congregations of America® (Synthetic Gear Only).

NSF/ANSI Standard 60 - Drinking Water Treatment Chemicals - Health Effects. Clarion Food Grade White Mineral Oils 200 and 350 (Only).

NSF/ANSI Standard 61 - Drinking Water System Components - Health Effects. Clarion Food Grade White Mineral Oils 200 and 350 (Only).
