

# Branch Out with FPSA

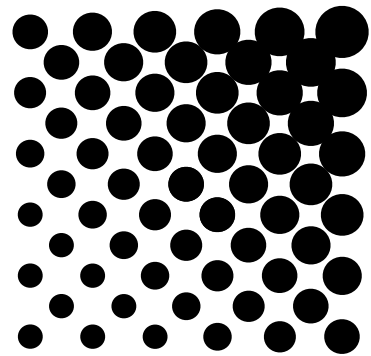

Expand your industry connections with an FPSA membership.

- **Business opportunities** – showcase your products at PROCESS EXPO - one of the country's fastest growing trade shows - at a significant members-only discount
- **Networking** – interact with experts across all industry segments and all links in the supply chain
- **Education** – enhance your success through our educational conferences and members-only webinars on topics ranging from sales to technology
- **Synergy** – become a member of the only trade association that spans the breadth of the dynamic food and beverage industry; benefit from cross-pollination across industries, opening up new opportunities for introducing solutions from one segment to another

Start reaping the benefits of an FPSA membership today.
