

Custom designs.

(Or, ask about our pre-engineered, "quick ship" systems.)

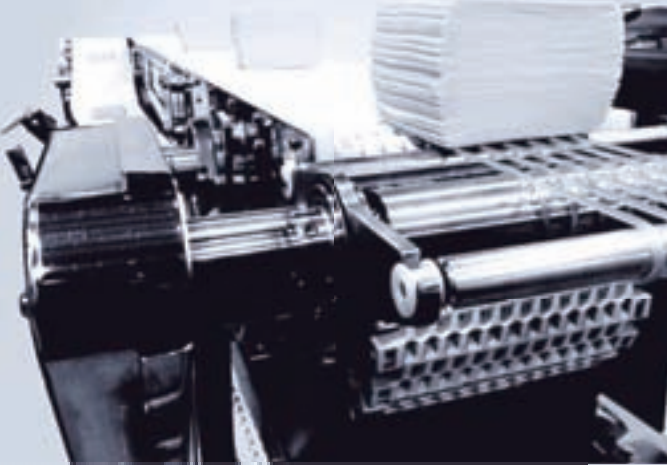

General transport conveyors for bags, pouches, flexible packaging, irregular shaped containers, tubes, tubs and more.

Your Food Conveyor Resource

Stainless steel, wash down, sanitary, food grade, agency compliant.

Cans, bottles, boxes, cases.

Chances are ... we've explored the **concept**, provided the **design**, already **built it**, or made something pretty damn close. Don't settle for less. Even if you're happy with your current conveyor supplier, let us quote your next project.

You may be pleasantly surprised.
