

With over 90 years of experience,
Riviana offers a wide range of
rice, flour, pasta and specialty ingredients

We are America's leading rice company, the nation's second largest provider of pasta products and the world's largest marketer of wild rice.

We are at the forefront of innovation with specialty products and organic rice, whole grain rice, Non-GMO corn flour and quinoa flour.

QUICK COOKING & INSTANT RICE

White, brown, and parboiled instant rice: from 3 to 10 minutes cooking. Low moisture types are available for use directly with seasonings.

PARBOILED & AROMATIC RICE

Organic and conventional parboiled long and medium grain rice, this process gives the rice a more separate appearance and firmer texture after cooking. Jasmine, Basmati and Arborio.

SPECIALTY INGREDIENTS

Conventional and organic quinoa, Non-GMO corn flour, quinoa flour and wild rice. Riviana is the world's largest marketer of wild rice.

PASTA

Conventional and organic wheat, gluten free, quick-cooking, ancient grains, supergreens in a variety of shapes: penne, shells, rotini, elbow and many others.

Ebrofrost

Simply better ingredients
